

**R. H. (HUGH) CARROLL SAFETY AWARD (RATE GROUP 704 & 830)
RECOGNIZING AND ENCOURAGING SAFETY AMONGST THE MEMBER FIRMS
OF THE ELECTRICAL CONTRACTORS ASSOCIATION OF ONTARIO**

The R. H. (Hugh) Carroll Award was created in 1999 by the Electrical Contractors Association of Ontario to pay tribute to member firms who best exemplify the dedication and commitment to safety in the electrical contracting industry as exhibited by R. H. (Hugh) Carroll through his years of service.

The terms and conditions of this award are as follows:

1. Four (4) eligible categories in Rate Group 704:
 - Companies having not more than 50,000 total work hours*
 - Companies having between 50,001 and 200,000 total work hours
 - Companies having between 200,001 and 500,000 total work hours
 - Companies having over 500,000 total work hours.

**Total work hours refer to electrician work hours, Rate Group 704.*

Two (2) eligible categories in Rate Group 830:

 - Companies having not more than 50,000 total work hours**
 - Companies having over 50,000 total work hours.

***Total work hours refer to electrician work hours, Rate Group 830.*
2. The basis for measuring a member's safety performance will be the most recent WSIB Account Profile (contact WSIB at 1-800-387-0750 to obtain yours). Where a tie arises, in any category, the winner will be selected on the basis of the higher number of hours worked; existence of a Health and Safety Program and audit results (if any).
3. Members who have offices in more than one area, and hold membership in more than once local association, must choose only one of the following options for eligibility:
 - submit one application for each area, using WSIB Account Profile only for that area's operation

or

 - submit one (1) application using the aggregate WSIB Account Profile from all areas.
4. Member entries must be accompanied by WSIB Account Profile, a Health & Safety Program Index/Table of Contents or audit results (if any) to be forwarded directly to ECAO.
5. Completed entries and supporting documentation must be received at ECAO by April 20, 2012 to be eligible for consideration.

IMPORTANT

All applications must be accompanied by most recent WSIB Account Profile, a Health & Safety Program Index/Table of Contents or audit results (if any). By signing above, the applicant agrees to allow ECAO to supply the Infrastructure Health & Safety Association (IHSA) with their injury experience performance data in order for IHSA to perform the rating calculations. Otherwise, all WSIB Account Profiles and other company safety data will be held in the strictest confidence by ECAO. No details will be announced or published; except for the names of winners in each category. The awards will be presented each year at the ECAO Annual General Meeting.
