ELECTRICAL CONTRACTORS ASSOCIATION OF BRITISH COLUMBIA
FOUR SEASONS RESORT WHISTLER, WHISTLER, BRITISH COLUMBIA**

Dear Valued Supporter:

Are you looking for an opportunity to put your company's name and logo before many of the leading electrical contractors in Canada? Consider supporting the Canadian Electrical Contractors Association's 2012 National Industry Conference hosted by the Electrical Contractors Association of Ontario and the Electrical Contractors Association of British Columbia. This event will take place in Whistler, BC, from June 13th to 17th and is the premier opportunity to access the decision makers who buy your product.

This year's theme is "A Mountain of Possibilities." The event will feature exciting speakers and great social functions that will provide excellent networking opportunities. The conference will bring together delegates from across Canada, representing contractors, estimators, suppliers and manufacturers in the electrical contracting industry.

There are a limited number of partnership opportunities available that will provide **HIGH VISIBILITY** and recognition of your company as an **INDUSTRY LEADER AND PARTNER**.

Please review the attached pages and select the level of partnership that best meets your corporate objectives. Within each level, there are opportunities to support individual elements of the conference.

We value your support and look forward to working with you and your company to ensure everyone's objectives are successfully met.

If you wish to discuss this partnership opportunity, please feel free to contact Lyndsy Miceli (416-675-3226 X300).
