[rgaitken@ecao.org](mailto:rgaitken@ecao.org)

Dear Mr. Aitken:

Thank you for your letter about the recent memorandum of agreement between the Electrical Contractors Association of Ontario and the International Brotherhood of Electrical Workers and IBEW Construction Council of Ontario. I appreciate the time you have taken to share this information with me.

During these unprecedented times it is inspiring to see industry partners working together for the good of Ontario's electrical workers and the health and well-being of our communities. This is certainly a welcome development, and as Minister I am heartened to see an important and meaningful example of industry collaboration to help stop the spread of COVID-19.

Mr. Aitken, thank you again for writing.

Sincerely,
