NOMINATION FORM

The ECAO Safety Leadership Recognition Award recognizes an individual who has demonstrated exceptional commitment and innovation in enhancing safety. This award honours those who have consistently gone above and beyond to identify potential hazards, implement effective safety measures, and promote a culture of safety that protects both individuals and the organization. Their outstanding contributions reflect a deep dedication to ensuring the well-being of others, driving continuous improvement, and setting a high standard for safety excellence.

APPLICATION AND SELECTION CRITERIA:

- All named applicants must be or have been employed by a corporation or company that is a member of ECAO.
- Notable contributions to Health and Safety by the applicant as perceived by peers, colleagues or management
- Other involvement impacting health and safety.

APPLICATION AND SELECTION PROCEDURE:

- Member companies are invited to submit a nomination form before the submittal due date.
- Only nominations received by the submittal due date will be considered.
- The Health and Safety department will review all nominations and determine a recipient for the award.
- All unsuccessful nominators will be notified

Submittal Due date:

April 06, 2026. Late submissions can not be accepted.
